I was born too late. It's just that simple. I love all things vintage. I especially love old postcards and other ephemera.

Sweet postcards. Old train tickets. Love letters. These vintage collage necklaces are *handmade, one-of-a-kind pieces* that use real tickets, feathers, old travel brochures, cards from Aunt Fran, or whatever captures my fancy. They are not scanned and mass-produced like others you may see.

I feel I honor these small pieces of the past; they capture a time and a feeling that should be treasured. I invite you to embellish your décolletage (or someone else's!) with a one-of-a-kind, handmade necklace.
